Our school life has been filled with experiences that developed our awareness of others in relation to ourselves. We have worked together, played together, sang together, and learned together, as these pages show. May the memories gathered here strengthen our respect for the other fellow and his rights, and may they increase our appreciation for each one's contribution to the human epic of friendship and good will.

CLASS SONG

(Tune: "Sunny Side of the Street")

Don your gown and tilt your cap
Here's to the years we spent together,
Life has been so sweet
On the Dighton side of the street.

Now when we go into the world
We'll not forget our Alma Mater,
The friends that we did meet
On the Dighton side of the street.

We used to walk through the hall
You know that that isn't all.
The classes we had
We loved them,
Really loved them.

Life has been so full
Down here at dear old Dighton
It's such a treat to meet
On the Dighton side of the street.

To the Superintendent and Principal we bequeath our best wishes and sincere hopes for Dighton's progress in the future years.
To Mr. Lopes, our faculty advisor, we leave a class with brains equal to ours, so they may think up excuses as good and as fast as we could.
To the faculty we bestow that long awaited vacation to recuperate.
To the Carr brothers, we leave a book entitled, "How to be a Fish and Oyster Warden".
To the class of 1952 we leave the "many millions" that are left in our treasury.
To the class of 1953 we bequeath our ever-lasting hopes of a Washington Trip.
To the class of 1954 we hand down the ability to win the One-Act Play Contest as many times as we have.
Dear Harvey,
We leave you a permanent enrollment in D.H.S. so you can look over the shop boys.

CLASS PROPHECY

Time: 1961

Place: Office of the "Dighton Daily Gazette."

Scene: The editor's office. The editor-in-chief, the sports editor, and the feature editor working at their desks which are littered with papers. The sports editor is on the phone.

Sports ed: Yes . . . Yes, I've got it. Jimmy Reed, the great American track star, won the world marathon in France today when he came across the finish line 1 minute and 32 seconds ahead of the Greek runner. Although he did not break the world record, he is rated as tops in his field. Is that all the information you have now? . . . All right, then. Call me as soon as you get all the results. (turns to editor) That was Phil Morse, the sports reporter. He's covering the world track meet in France.

Editor: Good. Is your column almost ready? It must be done in time to make the two o'clock edition.

Sports ed: What I have is all ready, but I'm trying to hold it off as long as I can so that I will get the latest results from the track meet.

Editor: O. K. Say, has Miss (phone interrupts him) . . . Hello. Yes. Just one moment and I'll connect you with the society editor . . . No, Mrs. Horton, I'm very busy, but the society editor will be glad to talk to you . . . Yes, I know it's very important but I don't write the society page. You'll have to talk to the society editor. (pushes buzzer for society ed. to answer) All right, Mrs. Horton, you may talk to the society editor now. (Turns to the feature editor who has just come in with her column) That was Mrs. Violet Spratt Horton. She is having a birthday party for her little girl today and wants a photographer to come right over to her house . . . What have you there, Miss Jones?

Feature ed: They're some angles I thought we might follow up for the features in the Sunday edition. The Rehoboth Country Club, designed by Arthur Kleason, was dedicated yesterday. Perhaps we could have an article on that . . . Here's another, Stuart Hunter of Berkley has a new geometric theory. He now can prove that a line can be drawn inside a circle. He has taken it to professor Gordon Willette of M. I. T. who can find no flaw in it.

Editor: Those are both good. Have you any more leads?

Feature ed: Yes. Miss Margaret Lamoureux is speaking tonight at the Women's Club. She has just returned from China where she is a missionary. Another distinguished woman who will be there is Miss Lorraine Tanguay. Her book, *Men are Disastrous* has just been published and is expected to break all sales records. (Phone rings again).

Editor: Hello. Yes, just a moment. It's for you, Miss Jones.

Feature ed: Hello . . . You have that story on the new kindergarten in Dighton? That's good. What is the name? . . . "The Sunshine School for Little Beams," and it's run by Miss Josephine Rego . . . Yes, well you can get all the details and give them to me later. (Turns to ed.) That's another idea for an article. Miss Josephine Rego has just opened a kindergarten in Dighton. (Reporter comes running in.)

Reporter: Hey, boss! Here's a flash. Emily Sanson, the great world traveler and French expert, just landed at the airport. She'll only be here for a couple of hours so you'd better send a reporter to take pictures of her and her famous French poodle right away. The plane she came on broke the flight record across the Atlantic. With Joe Slivinski piloting, it came from London to New York in 1 hour and 17 minutes.

Editor: That's great! Tell the printers to hold up the front page and put that in the headlines.

Reporter: Yes, sir. (Runs out again) (Sports ed. comes to desk).

Sports ed: Here's the sports column. Shall I read it to you while you check those papers?

Editor: Yes, go ahead.

Sports ed: (reads while editor seems to be busy at desk) First, there's the piece about the track meet. And then — Last night Pat Rose, heavyweight boxing champion, kayoed his opponent in the third round at Manny Perry's Sports Arena in Chicago. The time on that was 3 minutes and 42 seconds in the third round. Big Controversy Among Three Top Ball Clubs. Kenny Rezendes is the center of an argument among the Giants, Red Sox, and Yankees. The Giants want the Red Sox to keep him, and the Red Sox want the Yankees to take him for their mascot. Now for the women's sports. At the women's wrestling matches last night, Joan Bennett and Althea Simonds —

Editor: Joan Bennett and Althea Simonds? I never heard of them.

Sports ed: They're newcomers to the sport. They won their first tag match last night. Joan Aguas, after trying for seven consecutive years, has finally swum the English Channel. Bozo, her pet seal, accompanied her. This was also Bozo's seventh try. Up in Boston last night, Jeanne Jette was star of the Flying Turtles roller skating team. As usual, her hips were in good working order and she led her team to victory.

Another reporter who has just burst in: Hey boss! some dame just won the 500 mile race at Indianapolis!

Editor: Yeah? Who?

Reporter: Marjorie Rose, a dare-devil girl racer, finished first among a group of 40 cars. Her car chugged over the finish line five minutes later.

Office worker: Boss! Look what just came in on the teletype! Gilbert Airline Plane Sets New World Record! "The Bubble Bounce", one of the new type jet-rocket planes, set a new record by going around the world in 15 minutes. Authorities say that this feat might be credited to Miss Kathleen Stevens, the hostess on the "Bubble Bounce", who helped to make the plane lighter by pushing the passengers off.

Editor: Rush it in . . . Where's that society editor?

Society ed: Here I am, Boss. The column's all done.

Editor: Let's see it . . . Hmm . . . The W.F.F.A. (Wives of the Future Farmers of America) held their weekly meeting last night. New members were initiated into the club and also new officers were elected. Mrs. Sally Horsman Lindsey was elected president for the coming year and the new treasurer is Mrs. June Hixon Lloyd. (phone rings)

Editor: Yeah? . . . Who? . . . Speak up, man, speak up. You want to put an ad in the Sunday paper? O.K. What is it? . . . Buy your rats at J. Costa's Rat Farm . . . Our grade A rats are raised exclusively for rat-tail combs. O.K. It'll be in next Sunday.

Entertainment editor comes in: Here's the entertainment column, chief.

Editor: (reads) There was a most spectacular floor show at the "Blue Diamond" night club last night. Mr. Roger Proulx, famous baritone from New York opened the program singing "The Girl That I Marry Will Have To Be, As Talented, Rugged, and as Big as Me." Frankie Silvia's Swingsters provided music for dancing with Louis Perry as the trombone soloist. George Dutra and his famous Ajax quartet brought the house down. Jim McGillick, manager and master of ceremonies, announced that Lorrayne Sylvia, one of the cigarette girls, had been chosen as Mrs. Halfback of 1961. Another great act at the "Blue Diamond" was the "Knox, Mattos, Smith" tumbling team famous for their forward, backward, sideways, up-side down roll. Cynthia Gay, the famous vocalist, is down in South America serenading the mosquitos.

Editor: That last article sounds rather buggy to me.

(Woman comes in and demands to see editor): I want the editor. I will speak to no one less than the editor! (looks around) Are you the editor?

Editor: Yes, ma'am. What can I do for you?

Woman: I am Barbara French and I want a front page report on my book for young brides.

Editor: But, but —

Woman: "Helpful Hints for Hopeless Housewives" is the title.

Editor: Hey, Joe! Show this lady to the society editor. (Joe takes out woman who is still protesting)

Editor: (answers phone) Hello. Who? — Lorna Tingley. Yes . . . In tomorrow's paper . . . We pay highest prices for moths, bed-bugs, butterflies, caterpillars, beetles, and any other bugs that you happen to have around the house. Contact Lorna Tingley 456 Ant Street, Bugsville, Massachusetts. Buzz-Bee 9876.

Reporter: I got a lead on what might be a great story. Some crack-pot, Marilyn Daley, has a new gadget for freezing words which can be thawed out for future use. But the head of the English Department at Harvard, Prof. George Cudworth refuses to acknowledge the invention because he claims it is much too revolutionary and hinders individual industry.

Editor: Well, follow it up and see what you can get from it. (telephone rings) Hello. Yes, Miss Thomas. There's a riot in the U.N. ! . . . Well, let's hear about it. Mr. Richard French, representative of American husbands, had a row with his wife, Mrs. Muriel Munroe French and Mrs. Constance Turgeon Paull, who are also delegates. The argument pertains to who should run the U.N.

treasury, the women or the men. The women started the riot against Mr. French but he was adequately protected by his two body-guards Vic Bissonnette and Manny Santos, two ex-football men from Dighton High School. O. K. Miss Thomas, is that all the news from there now? Be sure and let me know when the Russian representative in the Security Council stops talking. That should make headlines.

Editor: (reads from teletype) Mr. Cassius Cummings, formerly of Dighton, Mass., was married to an Alaskan Eskimo today. Because of the great fortune he has made selling refrigerators to the Eskimos, he was, until today, the world's most eligible bachelor. (someone comes in with coffee) — Have you heard the latest rumor? Some U. S. spy by the name of Evangeline Rego broke into the propaganda office in the Soviet zone of Germany and stole the complete results of next year's elections.

(someone else comes in) — I've got another lead. It seems that many people have been stuck on the road after buying a new type of gasoline at Hagar's Filling Station.

Editor: O. K. I'll call Chief Simmons at the police station and ask if he's had any complaints about Hagar . . . (calls the chief) . . . (editor reads off teletype) Cover girl Joyce Horton sets a new world record! She completed in one day 5,555 and one half covers which will be put on jars of pickles in Heinz Pickle Factory.

Fashion editor comes in: Well, here's my column, Boss.

Editor: Read it, will you please.

Fashion editor: O. K. There were many new styles and colors at the annual summer fashion show last night. One of the most popular numbers, designed by Miss Beatrice Bettencourt, was a sun dress made of a new material called mirrorlon. This is a fabric which always has a new and different print because it reflects every thing near it just as a mirror does. This, and several other of Miss Bettencourt's dresses were attractively modeled by Eugenia Phillips. While there, I had a very interesting talk with Allen Packard, designer of women's lingerie. He predicts a revolution in this industry within the next year, but he would not give me an idea as to what it will be.

Newsboy brings in paper: — Here's the latest edition, boss.

Editor: (reads headlines) Two Home-Town Girls Decorated for Bravery Beyond the Line of Duty. Corporals Julia Heroux and Phyllis Costa of the WACS received medals today for preventing an epidemic of leaking fountain pens.

Joe comes in: Here's the follow up on those complaints about gas. The owner of the station, Joan Hagar, thought the gas supply was getting low so she added water to make it go farther. The things some people will do to make a little money.

Editor: Oh, there's some new ads in. Assistant needed — Man with knowledge of wild life wanted to accompany "Bring 'em back alive Sprague" on trip to Belgian Congo to search for prehistoric dinosaurs . . . Hmm . . . Here's another new one. Position wanted — Young man qualified as accountant. Will work with women as well as men. Likes figures. Call Jack Gorden. humm-730561.

Newsboy: Look at that article on page 17.

Editor: This one about the girl who's raising giant mosquitos on the Island of Itch?

Boy: Yeah

Editor: . . . Miss Muriel McNeil is now in business selling her giant mosquitos to Hindle's Knitting Service. Miss Hindle finds the stingers far superior to ordinary knitting needles . . . That's some story. I wonder what they'll think of next? (telephone rings)

Office worker answers: Hello . . . Yes, just a moment . . . It's for you chief. City Hospital.

Editor: Hello. Yes . . . Who? The town Mayor . . . He was brought in yesterday with a severe head injury. Because he was bleeding badly, he was not expected to live through the night. However, due to the clever thinking of Nurse Eleanor Medeiros he is expected to be home in a few days. Nurse Medeiros devised an apparatus and connected it to the wound so that the blood lost would enter the body again.

Very excited man runs in: Fire! Fire! South Dighton is all aflame!

Everyone rushes out of office.

CLASS HISTORY

FRESHMAN YEAR

Freshmen green we sought your door
Ready to work ready to score
Entering classes and corridor masses
Stairways and bells and teacher-signed passes,
Hazy was our first intent
Much to do and time well spent.
Anxiously we looked toward new adventures
Narrowing them down to be above censure.

September 3, 1947

—The big day — the beginning! D. H. S., we loved you from the first confusing moment. The smiles of sympathy — the bells — the stairs — changing classes — so many teachers — so many people; all part of the place for the future.

October 23, 1947

—Election Day for us. Acknowledged acquaintance helped us to choose Patrick Rose, president — Victor Bissonette, vice-president — Barbara French, secretary — and George Dutra, treasurer.

November 21, 1947

—A Pep assembly on Salesmanship for the Magazine Drive was given and we were instructed in the fine art of selling. We showed our talents in that field.

November 28, 1947

—Play Contest night! Backstage panic! Oh, that first line! Victoriously we took our bows after performing "The Little Red Schoolhouse."

December 18, 1947

—The Annual Christmas Dance. A wonderful affair, but our bashful boys gave few girls the opportunity to go.

December 23, 1947

—The Christmas assembly meant two things: community singing of carols and vacation. Oh, that latter term — how distressing!

January 2, 1948

—A new year — new activities — more homework! Basketball began a new season — our classmates were right there.

February 17, 1948

—A royal affair — the Mardi Gras! The swish of gowns — the whispered complements — the royal court. What an evening for us to remember! Barbara French and Victor Bissonette were our chosen ones.

March 23, 1948

—Yes, we knew how to entertain! The Talent Show revealed the hidden resources in our classmates, in so many ways, some of which brought roars of laughter from the audience.

April 29, 1948

—Something different but hard to face — the Oratorical Contest. Those drafted to speak from our English classes were Joseph Slivinski and Emily Sanson.

May 14, 1948

—The worth of music! The First of two Spring Concerts was held on this date at the high school and the next appearance was a week later. Practically the entire class was musically minded and they added to the success of the concerts. The girls looked beautiful in their evening gowns.

June 14, 1948

—Class Day and the school days drew to a close. This had been a wonderful year — we were on the threshold of our Sophomore year.

SOPHOMORE YEAR

Sophomores now with heads held high
Opened the doors for another year's try.
Pens, pencils, pads and erasers few
Helped start the year and friendships, too.
Organizing classes, activities, and leaders
Made this year a great one, another repeater
Of sports, plays, and dances, and work not so slight
Revealing to all classmates on the very first night
Ever present — the homework! Our only blight.

September 8, 1948

—New faces, oh so many, most of them from Rehoboth. It was wonderful to be back — and as Sophomores we now belonged!

—A Sophomore cheerleader chosen — our own Barbara French.

—Time to choose leaders! A great group to push us on and up was elected — Victor Bissonnette, president — Richard French, vice-president — Kathleen Stevens, secretary — George Dutra, treasurer.

November 6, 1948

—Victory! Celebration! The Sophomore Dance! It was a success! Even the Case students had a good time.

December, 1948

—Entertainment — Costumes — Bright lights! The applause — the judges — and victory was ours again! Our play, "Amateur Hamlet" was a success!

January, 1949

—A new year — Never a dull moment. Our class went all out for basketball.

February, 1949

—Colors — Flowers — Gayety — Excitement! It's the Mardi Gras! Beatrice Bettencourt elected our Queen — Victor Bissonnette elected our king.

March 17, 1949

—Green costumes — Irish Songs — Jokes — Laughter! All in the Sophomore St. Patrick's Day Talent Show!

April 8, 1949

—The school was a buzzing! We were to see the teachers act! They presented "Arsenic and Old Lace." A success.

May 6, 1949

—Spring Concert! Practice! Laughter, and enjoyment for all! Excited students — Proud parents! A thankfull music teacher! We were really good!

May 28, 1949

—New formals — A joyous evening of fun! It's the Junior Prom!

June 2, 1949

—The Oratorical Contest Stage fright! Definitely! The Sophomore Class was well represented by Caryl Morse, Joseph Slivinski, and George Cudworth.

June 17, 1949

—At last we were upper-classmen! At least we hoped we were!

JUNIOR YEAR

Joining the throngs on Junior Day
Using our title and showing the way
Nonplussed by what we had to do
Instead we sought adventures new
Our plans, hopes and work for this great year
Reached out and found us — without fear.

September 7, 1949

—Our third year!

—We walked to classes with our heads held high.

October 3, 1949

—Deciding we needed our leaders immediately, class elections were held. The chosen ones were George Dutra, president; Violet Spratt, vice-president; Alice Thomas, secretary; and Victor Bissonnette, treasurer. It was a wonderful year with them.

December 10, 1949

—In honor of Dighton's outstanding football squad, who won two titles, a banquet was held at the Bristol County Agricultural school. It was a memorable evening with the Juniors well represented on that Champions team.

December 16, 1949

—Oh, the Christmas dance! Sponsored by us, it was socially a huge success. The motif was in yuletide spirit with the large wreath as the center of attraction.

December 21, 1949

—The Christmas assembly! The orchestra played and the student body sang carols. The mixed chorus singing "Song of Christmas" was beautiful.

January 31, 1950

—One of our best special assemblies, a duo consisting of Ed and Nick displayed some tumbling acts that were amazing.

February 18, 1950

—Come to the Mardi Gras — and everyone did. It was the biggest annual affair at Dighton. Our chosen representatives were Violet Spratt and Victor Bissonnette.

March 4, 1950

—The first inauguration of the Dighton Chapter of the National Honor Society took place. Those chosen for this honor and presented for membership were: Kathleen Stevens, Josephine Rego, Marilyn Daley, Gordon Willette, Margaret Lamoureux, Sally Horsman, Emily Sanson, Joyce Horton, and Lorraine Tanguay.

March 6, 1950

—Our class rings arrived! What a thrill to walk through the corridors with our hands outstretched. A day of days!

March 8, 1950

—Our talent assembly — with exceptional talent. The play was "Elmer." The members in the cast were: Cynthia Gay, Margaret Lamoureux, Kay Stevens, Violet Spratt, Lorraine Tanguay, Joan Aguas, George Dutra, John Gorden, and Victor Bissonnette. Comedy at its rarest!

April 14, 1950

—Another theatrical production — this time with friends and relations to see us win the contest play. All those participating in the show were wonderful and again our theater group was victorious.

May 5, 1950

—Music was heard through-out Dighton County. The Spring Concert was a melodious affair. The band played, the boys and girls glee clubs, the trio and the quartet sang their selections.

May 6, 1950

—Music and Gaiety! The Junior Prom — our biggest dance. We'll never forget those decorations, based on the story of Cinderella.

May 16, 1950

—Marilyn Daley and Roger Proulx displayed their talent. The Public Speaking Contest.

June 16, 1950

—Music, dances, work and classes — ending another happy and successful year at Dighton — imagine us Seniors.

SENIOR YEAR

Seniors we became at last
Eager and quick as in the past
Never did we have such fun
Imps and angels, leave out none,
Often clothed work with pleasure
Reaping memories to treasure.

September 6, 1950

—The year that we had been looking forward to had finally come!

September 17, 1950

—This was the day our class officers were chosen. By majority vote, George Dutra, was elected President; Violet Spratt, Vice-President; Alice Thomas, Secretary; and Victor Bissonnette, Treasurer.

October 1, 1950

—We were all up bright and early on this busy morning. The day scheduled for our paper drive was here at last. It was work, but loads of fun, especially after learning that we had collected almost twenty-four tons and had made three hundred and thirty dollars in one day.

October 10, 1950

—One of the biggest jobs of the year started when we received our samples of Christmas cards and stationery. Sally and Marilyn were charged with keeping our records straight.

October 21, 1950

—Our busy month continued and we found more work and fun when preparations for the Havest Dance were begun.

November 15, 1950

—We seniors and the sophomores had a chance to display our talent at the Talent Assembly on this day. With Jack Gorden as narrator, the drugstore scene went off quite well.

January 27, 1951

—The Mardi Gras was held at Dighton High School with our senior class well represented. Emily Sanson, the French Club president, crowned Beaty Bettencourt Queen with Vic Bissonnette as King.

January 31, 1951

—Our play "No More Boys" was a success in the school assembly. Under the direction of Mr. Lopes, every one interpreted their parts well.

February 16, 1951

—Peggy Lamoureux and Gordon Willette were chosen to be the graduation speakers on the basis of achievement and of ability.

March 16, 1951

—Our second barn dance was held on this Friday at the Mount Hope Club. Dungarees and loafers made for relaxed dancing.

April 13, 1951

—Friday the thirteenth! We presented "Ghost Farm" which included the following cast: George Dutra, Kay Stevens, Cynthia Gay, Allen Packard, Lorraine Tanguay, Jack Gorden, Peggy Lamoureux and Barbara French.

April 16, 1951

—The long-awaited day of our departure for the class trip! This was the best Monday morn ever. On our way to Washington — Lincoln Memorial — Jefferson Memorial — The Smithsonian Institute — all made for a gay trip.

June 13, 1951

—The best of class days had "rolled around." This was ours! Strange phophecies, peculiar wills and our history was told to everyone. They laughed and applauded the class of "51".

June 14, 1951

—The diploma in all its glory entered our right hand — such a proud procession. Tears and cheers were mingled with wonderful memories and tremendous years.

FRENCH CLUB

During part of the year, the French Club members are occupied with the preparation of the Mardi Gras. They also increase their store of vocabulary as well as their repertoire of French songs. The Reading Club advisor urges the members to discuss books, authors and plays. Whenever a few posters are needed for any special occasion, the Drawing Club can be counted on to furnish an appropriate design.

MR. CHABATON

The Photography Club has been taught the fundamentals of taking pictures, developing, printing, and enlarging them. The Audio-Visual Aids Club not only experiments with the movie projector, but also takes a great part in showing films throughout the year to classes and assemblies. Simple radios and airplane models were built during the Science Club meetings. Radio and television took up the interest of the Science Club.

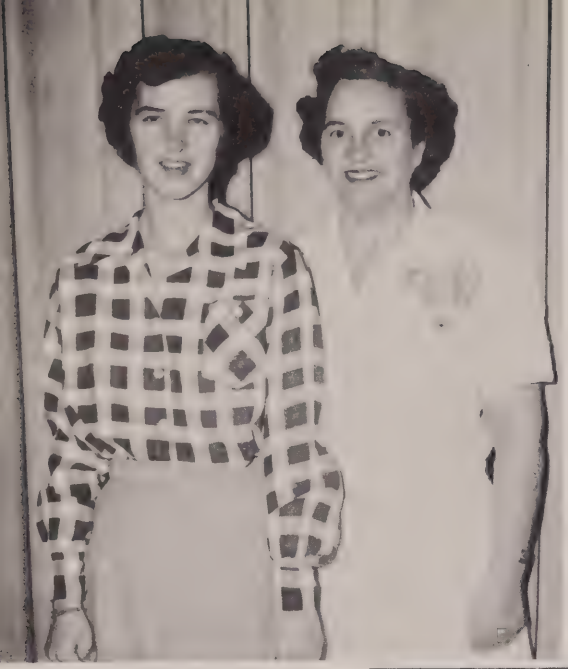
TRAYPAINTING

HANDICRAFTS

In Traypainting Club, old articles are repainted and decorated. Most of these, trays, glasses, chairs and magazine racks, are to be used in the home.

Textile painting, knitting, crocheting, and the making of leather goods are taught in the Handicrafts Club. Small gifts can be made for numerous occasions.

The members of the Cooking Club are taught to prepare many basic foods, and learn the fundamentals of good cooking.



PERSONALITY CLUB

Miss Rizy's Personality Club has been doing many things which pertain to manners, personality, poise and attractiveness. The members take an active part in the club by bringing in informative articles, and giving their opinions in the discussions on coloring, make-up, dates, etc.

Advisors: Mrs. Esther Bowden, R.N., Home Nursing; Miss Norma Rizy, Personality, Health, Junior Red Cross.

HOME NURSING

One of the most useful clubs is our Home Nursing Club. Many girls, who have nursing careers in mind, joined this club, which will profit them a little later on. On the completion of their course, the girls will each receive a Home Nursing certificate and pin offered by the Red Cross.

RED CROSS

The Junior Red Cross has been one of our most helpful clubs. The girls have made favors for service hospitals, have knitted squares for afgans and have worked with other Red Cross organizations selling Handy Wacks.

The Mechanical Drawing Club affords an opportunity to students in the Classical and the General Courses for training in this art.

In the same way, the Typing Club, a high favorite, is for the benefit of those who do not carry typing as a regular class subject.

Driver Education includes all the theory and practice required for developing saft drivers.

IN FOND REMEMBRANCE

John Dutra, class of 1948, killed in action in the service of his country.

Johnny was a likeable boy, quiet, unassuming, and dependable, who served as class treasurer for four years. In sports as well as in class, his cheerful cooperation and earnest endeavor was a credit to Dighton High School. He and his brother Jim made an invincible combination on the gridiron, which remains prominent in Dighton football history. John was captain of his team and played quarterback rather than half-back even though he was considered as good a runner as his brother. His unselfishness and sense of sacrifice made him see that this would benefit the whole team to a greater degree.

John decided to enlist in the Army after graduation. We feel sure that his friendliness and helpfulness did not cease, even so far away from Dighton as Japan.

When the Korean war broke out in June of last year, John found himself suddenly in active service, and late during the next month he was listed among the missing in action.

In the intervening months, hope and prayers went to him from us all for his possible life and safety. On December 26, the War Department announced that Cpl. John Dutra had been killed in action.

John has served his country well — he has served us well. In return, we shall remember John's willingness to help, his courage, and his unselfish devotion to school, to family, and to country.

Front Row: George Costa, Victor Bissonnette, Mr. Scanlon — Coach, George Dutra, David Dutra. Back Row: James Carvalho, Robert Bleau, Kenneth Rezendes — Captain, David Miller, William O'Connell, Everett Grassie.

BASKETBALL

TRACK

The Dighton High Track Team won the Narry League Track meet in 1950 for the third consecutive year. This gives Dighton permanent possession of the Narragansett Interscholastic Track Trophy donated by the Dighton Boosters' Club.

Front Row: George Dutra, James Reed. Back Row: Robert Bleau, Patrick Rose, James McGillick, Stuart Hunter, Cassius Cummings.

The girls' basketball team took second place in the Narragansett League by winning seven out of eight starts. Joan Aguas and Alice Thomas were chosen to lead the sextet. The girls had a very successful season under the capable coaching of Miss Norma Rizy, the forwards scoring 214 points and the guards holding the opposition to 160. The second team also made a good showing for Dighton by taking six out of eight games.

Front Row: Margaret Borden, Alice Thomas, and Joan Aguas — Co-captains, Mary Lee. Back Row: Beth Higgins, Joan Tranter, Coach — Miss Norma Rizy, Gladys Smith, Muriel Hulbert.

GIRLS' BASKETBALL

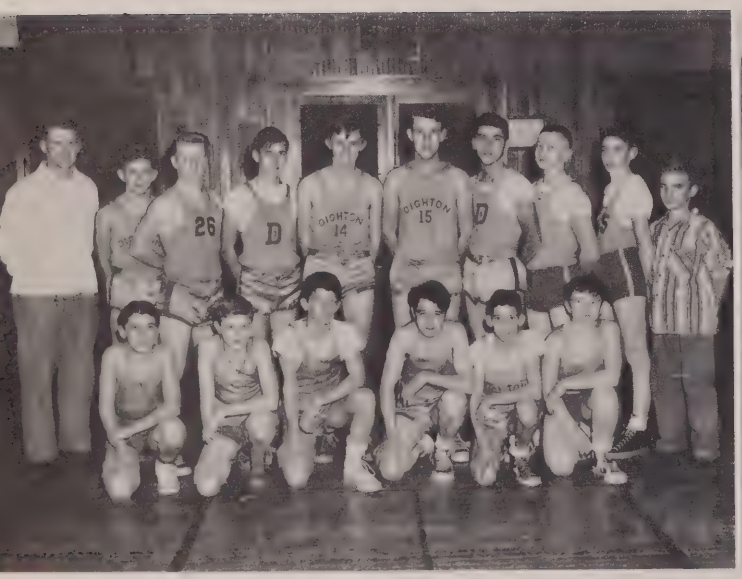
BASEBALL



CHEERLEADERS

Miss Norma Rizy — Coach

Left to Right: Barbara Sears, Lorraine Paige, Eleanor Sherman, Mary Tripp, Marjorie Rose, Patricia Borden, Beth Higgins, Kathleen Stevens, Lorrayne Sylvia, Barbara French — Captain.

D-I-G-H-T-O-N!!! How many times has this cheer echoed about D. H. S? Whether the team was winning or not, the girls, under the captaincy of Barbara French, were always there with all their pep and enthusiasm to cheer the boys on. During the football season, the cheerleaders helped the Majorettes and Band with tricky formations. The girls find it hard to express their gratitude to Miss Rizy for all the guidance and encouragement she gave them.

IN APPRECIATION

The class of 1951 of Dighton High School wishes to express its sincere appreciation to you who have placed advertisements in this publication. Your assistance has made this yearbook financially possible, and in turn, may our many readers favor you with their patronage.
